*Due to the Swamp Hag's spell, the once innocent daughter of a peasant carries out mean-spirited deeds. She's a living puppet, who's charm appeals even to the Demon.*

# POSSESSED

## TEMPTATION

If possible, adjacent opposing Creatures with Power Level 3 or higher have to attack the Possessed in the following turn.

*Note:*

*If there are several opposing Creatures on adjacent fields, your opponent can decide with whom he attacks.*

*If the Possessed is protected by an adjacent Gnome, your opponent can't attack her and has to choose a different Action.*
